10) The temple in question is a minor inam endowed with inam lands, the income from which is Rs 786-4-5 as seen from the Scale Bath which is in force from 1st Jany 1920. (Vide para 2 of S.C.'s letter of 22.11.19 in mem 801-18-4). The petrs claim pay and paddi for fasli 1918 to the end of dec 1919; this is a period when in fact no Scale was in force and records do not show if the income from lands of the temple during that period was kept in S.B. account to the credit of the temple - No where definitely in the records it is stated when the Govt were directing the assumption of the management of the temple lands was issued and with which date effect was given to the said order. Even ref is invited to the M.C's enquiry of 22-3-32. Whether in July 1918 or in Aug/18 the Assumption the management may have been ordered, the records do not indicate if the inam lands were leased out during the period of the claim in question & any portion realised credited to the funds of the temple. Further the period in question is one when no Shanmadavis were functioning and the temple was controlled by Govt appointed Trustees (Vide the O.C. Yet enjoined of the claim in question.

Mr. Harold Hunter (Mr. S. Thiruniggi) he held that the claim was highly belated & not substantiated by satisfactory evidence & the Pet's was rejected on 4-7-33. x 7 forms Charges Time Bar

Again a review application was before the present M.C. who also rejected the Pet's on 21-11-33 x It is stated there no good grounds exist for a consideration of the Claim specially at this distance of time over 15 years ~~Harries~~ Pet's before the Pet's & also receiving ~~our~~ Govt. The above explains the Case. Two previous M.C's have declined to ~~sanction~~ sanction the Claim on the ground that the claim is belated & there is no satisfactory explanation for the delay. It is for orders if the Case is to be heard on

Appeal Case No. 36 of 1933-34.

Hebbur Hobli, Tumkur Taluk.

2. Linga, son of Nanje Gowda,

5. Byata, son of Thimma,

Respondent:- G o v e r n m e n t.

The Appellants beg to prefer this Appeal against the Order of the Muzarai Commissioner in Mysore, Bangalore, No. D-2, Dis.398 of 33-34, dated 28-11-1933, declining to review the order passed by his predecessor in D.2-Dis.42 of 33-34, dated 11-7-1933, rejecting the claim of the Appellants for Rs.455-7-10, being the pay and 'Paditara' due for the period from October, 1918 to end of December, 1919, on the ground that the claim is belated and that there are no sufficient

sufficient reasons for the delay, for the rollow among other, reasons:-

(Copy of the Order appealed against is enclosed.)

Facts of the Case.

1. Sri Anjaneya Swami Temple at Garagada - Kuppe is a Muzarai Institution, endowed with two Devadaya Inam Villages, viz., Garagada Kuppe and Thimmasandra in Tumkur Taluk, and the Appellants are the hereditary temple servants.

2. The Temple and the Inam Villages were under the management of Hebbur Rama Rao, descendant of the late Vakil Ramappa, the original grantee and the Manager, and owing to mismanagement, these were taken under Government management in August 1918, as per Government Order.

3. The Appellants were receiving remuneration and 'Padithara' from the late Manager during his time and after the Temple and the properties came under Government management, the Appellants were told to continue services in the Temple as before on the promise that they would be remunerated for the services and Viniyogas as per scale to be fixed from the income of the Inam Villages. The first Appellant received the Taluk Amildar's orders to this effect, through the Hobli Sheikdar (Copy enclosed).

4. A scale of income and expenditure was sanctioned for this Temple in 1919-20, and the pay and 'Padithara' were disbursed to the Appellants from January, 1920, as per Scale; but the

arrears

arrears of pay and 'Padithara' amounting to Rupees 455-7-10, due to them, as per Bills submitted by - the Amildar for the period from October 1918 to end of December, 1919, have not been paid in spite of several petitions and representations.

5. Bills for this amount were submitted by the Deputy Commissioner for sanction and the claim was rejected by the Muzarai Commissioner on the grounds that it was belated and that there were no sufficient reasons for the delay.

Grounds of Appeal.

I. The reasons given in the Muzarai Commissioner's Order are not sound. The first Appellant began to agitate for pay and 'Padithara' in the year 1918 alone, and he has submitted Kerch Pattis every month to the Taluk Amildar from the - date the Government assumed management of the - Temple in August, 1918, requesting payment. He has, besides, submitted several petitions not less than 2 or 3 every year from 1918, and a detailed list of petitions with dates, is submitted herein below for kind reference. (Copies of petitions and endorsements issued in some cases are also enclosed for kind perusal). The delay has taken place in the Taluk and other Offices for completing the enquiry and working up the records, and it is not fair and just to make the Appellants suffer for the delay caused in the above offices.

II. The Appellants have rendered services and expenditure for 'Nityagatle'and 'Hetchakatle' Viniyogas has been actually incurred as per Tumkur

Amildar's No. 354 of 11-11-1918, communicated to the first Appellant through the Hobli Sheikdar.

III. The claim has been established on local enquiry conducted by the Hobli Revenue Inspector, and the Amildar, and the Dharmadarsis - have also resolved in favour of the Appellants. It has been recommended by the local Huzarai Officer and the Deputy Commissioner.

IV. The Order of the Huzarai Commissioner is unjust and inequitable and has hit hard the - Appellants who have suffered loss to an extent of Rs.600/- as they had to pay heavy interest.

Wherefore the Appellants pray that the Benign Government may be graciously pleased to - peruse the records and sanction the sum of - - Rs.4[illegible]-7-10, due to them for the above period on account of pay and Paditharа as per Bills submitted by the Amildar, condoning the delay, as recommended by the Deputy Commissioner.

Petitioners :- Krishnamachar and 4 other Temple servants of Shri Anjaneya Swami Temole, Garagada Koppe, Hebbur Hobli, Tumkur Taluk.

*****

(i). Pay and Paditara charges amounting to Rs 456-0-0 for the period from October 1918 to end of December 1919 became due to the petitioners for services actually rendered and charges actually incurred by them during the period.

(ii). The Taluk , Sub - Division, and District Office Authorities have duly recognised the above claims and recommended sanction to the Bills therefor to the Muzrai Commissioner.

(iii). The petitioners have been on and often duly agitating for the settlement of their legitimate claims before all the Officers concerned with the matter from 1918 up-to-date, but in vain.

Chief Secretary with compliments.

(iv). The Muzrai Commissioner , to whom the bills were submitted for sanction has rejected the claim on the grounds that it was belated and there were no sufficient reasons for the delay. The petitioners are in no way responsible for this delay caused officially in the several Offices and most emphatically submit that there have been sufficient good grounds to pass their legitimate claims.

(v). Government have endorsed in No. 1073/Muz -33 -4 dated 12/13th Feby' 35 to the petitioners rejecting their petition on the ground that there are no geasons to interfere with the orders of the Muzrai Commissioner in the matter.

(vi). The claims preferred by the petitioners are reasonable ,legitimate ,duly supported and justifiable for settlement as prayed for by them already.

(vii). Their claims require bare, nacked , justice at the hands of the Benign Government and they pray that their request may be - graciously considered sympathetically, in view of the circumstance that they are more sinned than sinning and are in no way at fault.

The above G.O. may kindly be reviewed and the petitioners request granted.

Bangalore,

15-4-1935.
